PS: If it is not listed above, please ask for more information with regards to the GIT Cover.

Please take note!

If it is not packed correctly, SSV will reserve the right to keep the goods at the applicable depot, to prevent damages to the items. We say, ***Prevention is better than cure!***

If you didn't provide an afterhours contact number, where we can confirm whether the goods must be send at own risk, we will rather keep it at the depot. If we make the decision to send it, and take precaution by adding packaging, there will be a fee involved for this service provided.

All goods are send on the Standard Trading Terms & Conditions. Kindly refer to our website for more details – www.ssv.co.za

Quotations:

Should a quote be given beforehand, and the goods details differ once measured / weighed at our depot, there will be a price difference. Please provide an afterhours number, where we can inform you about these changes, to find out whether we must still send the goods, or take it back to your supplier. Please take note that a surcharge will be applicable to cover the transport cost from and to the supplier.
